### **Digital Celerity Joins the Prestigious Group of Organizations Approved by Project Management Institute to Provide Project Management Training**

San Francisco, CA / USA - February 1, 2012 -- Digital Celerity LLC today announces it is now approved by Project Management Institute to become a PMI Registered Education Provider (R.E.P.) effective January 15, 2012.

PMI R.E.P.'s are educational organizations that have demonstrated that they are capable of providing world-class effective project management training. Through PMI's rigorous quality criteria for course content, instructor qualification, and instructional design, R.E.P.s provide the project management training necessary to earn and to maintain Project Management Professional (PMP)<sup>®</sup>, Program Management Professional (PgMP)<sup>®</sup> and other PMI professional credentials.

"We are delighted to offer CA Clarity PPM™ best practices training courses and self-paced, computer based training packages as a PMI Registered Education Provider. "At Digital Celerity, knowledge transfer is a part of everything we do. It is the fabric of our company culture and the DNA of DC Education's Project Management training, mentoring, and PPM/ITG transformational expert services."

"PMI's recent survey of training providers shows that 80 percent of organizations seeking suppliers of project management training strongly prefer to work with PMI R.E.P.s. They view their affiliation with PMI, as the leading standard-setting professional association for project management, as a stamp of quality on the training services they purchase," said Edwin Andrews, Ph.D., director of academic and educational programs and services at PMI. "Organizations want to protect their investment in project management training, and they know that a PMI R.E.P. delivers such training in a cost-effective and efficient manner."
